Employment Opportunity: Residential Counselor

Employment at Mountain Valley Treatment Center is not just a job – it is a calling for those who seek the opportunity to work with bright, talented, anxious young people in an environment that is both supportive and challenging. Located near Dartmouth College in New Hampshire’s Upper Valley, Mountain Valley is a not-for-profit, short-term, residential treatment program for adolescents and emerging adults of all genders, ages 13 to 20. Mountain Valley specializes in evidence-based treatment for those struggling with anxiety, OCD, and related disorders. Mountain Valley’s acclaimed clinical model utilizes Cognitive Behavioral Therapy (CBT), Exposure and Response Prevention (ERP), and Acceptance and Commitment Therapy (ACT).

Residential Counselors are the primary care givers in our program. This is an opportunity to make a lasting difference in the lives of young people. If you are looking to work in a supportive, caring environment as part of a team that provides direct care for young people struggling with anxiety, this is a job like no other. You will learn clinical skills that can be applied in real-world situations and that can also act as a foundation for further professional growth and education. Many of our residential counselors have gone on to pursue advanced degrees and professional careers in mental health and human services.

Mountain Valley operates from a values-based approach in terms of our treatment of our clients. Residential Counselors help support residents in living a life in harmony with their value systems.

Mountain Valley provides full benefits packages for all full-time staff as well as competitive pay and paid time off. Staff receive fresh-cooked farm-to-table meals prepared by our chef. Available shifts include days, evenings, weekends, and overnights.

If you are interested in joining our team, or for more information about the position, please contact Program Director Ashley Metz at ametz@mountainvalleytreatment.org or call [603-960-2230](tel:603-960-2230).

*Full job description available upon request.
Mountain Valley Treatment Center is an EEO employer.*
